<https://nickynault.github.io/portfolio/>

Entry-level developer with a CS degree and hands-on experience in Python, cloud platforms, and UI design. Seeking to apply technical skills in a collaborative development environment.

HIGHER EDUCATION

Wayne State University
Detroit, MI
2019-2023

Bachelor of Science - Computer Science

I earned my BS in Computer Science with a **minor in Design** from Wayne State University, graduating with a **3.4 GPA**. The ABET-accredited program gave me hands-on experience in programming, software development, and systems design.

PROFESSIONAL EXPERIENCE

Camfil Inc.
Livonia, MI
Aug 2023-Present

Warehouse Associate

- Collaborate with logistics and inventory teams to efficiently fulfill custom commercial filter orders with accuracy and speed.
- Lead fulfillment operations and take initiative on solo projects to improve workflow and support team goals.
- Gain hands-on experience in customer communication, planning workflows, and reviewing technical documentation.
- Demonstrate reliability, adaptability, and problem-solving in a fast-paced, team-oriented environment.

RELEVANT CERTIFICATIONS

- Python, Linux, C++** - Codecademy
- CISSO (Certified Information Systems Security Officer)** - Mile2
- Unreal Engine 5 Development** - Udemy

AREAS OF EXPERTISE

- Languages:** Python, Java, C++
- Web:** HTML, CSS, JavaScript, React
- Cloud & DevOps:** AWS, Docker, Firebase
- Tools:** Git, GitHub, Google Suite

TECHNICAL PROJECTS

SecurePass - **Personal Password Manager:** [VIEW HERE](#)

- Developed a GUI-based tool for secure local password creation and storage.
- Implemented adjustable password strength, local encryption, and safe file handling.
- Applied object-oriented design principles and Python packaging best practices.

Portfolio Website - **Static Portfolio Site:** [VIEW HERE](#)

- Built and deployed a personal portfolio on GitHub Pages to showcase projects and skills.
- Designed a responsive layout using CSS and JavaScript to enhance user experience.
